U-Night is a group that combines all the Youth from the SNAK (Sydney North and Kur-ring-gai) region. There is one U-Night event a term where youth groups gather together for fun, games, to network, meet new people, Worship God and strengthen faith communities.

Through U-Night events we hope to strengthen networks in our presbyteries, build up combined events (eg: Challenge camp, Study camp, Transformation), outreach and strengthen youth groups in across the region. U-Night is the quarterly get together for the combined Youth Groups of the Uniting Church Sydney North and Kur-ring-gai Presbyteries.

Last year we started with a night of formal bowling at Hornsby AMF, Term 3 we went to Turramurra Uniting for a night of activities from horizontal bungee, a dance party, to an nerd fest room. We finished the year with a combined trip to Luna Park.

This term we will be travelling up to Shelly Beach for a Hawaiian Luau. Meeting at the Church at 6:00pm we will travel by car to Shelly Beach and return at 10pm.

For more information ask one of the leaders at NYCS on a Friday night, or call Matthew Jones on 0412 987 813.

I give permission for my child \_\_\_\_\_ to attend the "Hawaiian Luau". I understand that my child will be transported by private car to and from Shelly Beach and that there will be swimming allowed at the beach.
